

Tster Sketch Plugin

Create mockups on-the-go on mobile device and easily export your artboards to Sketch. Will speed up the design process and fit right into your workflow.

Let's get started?

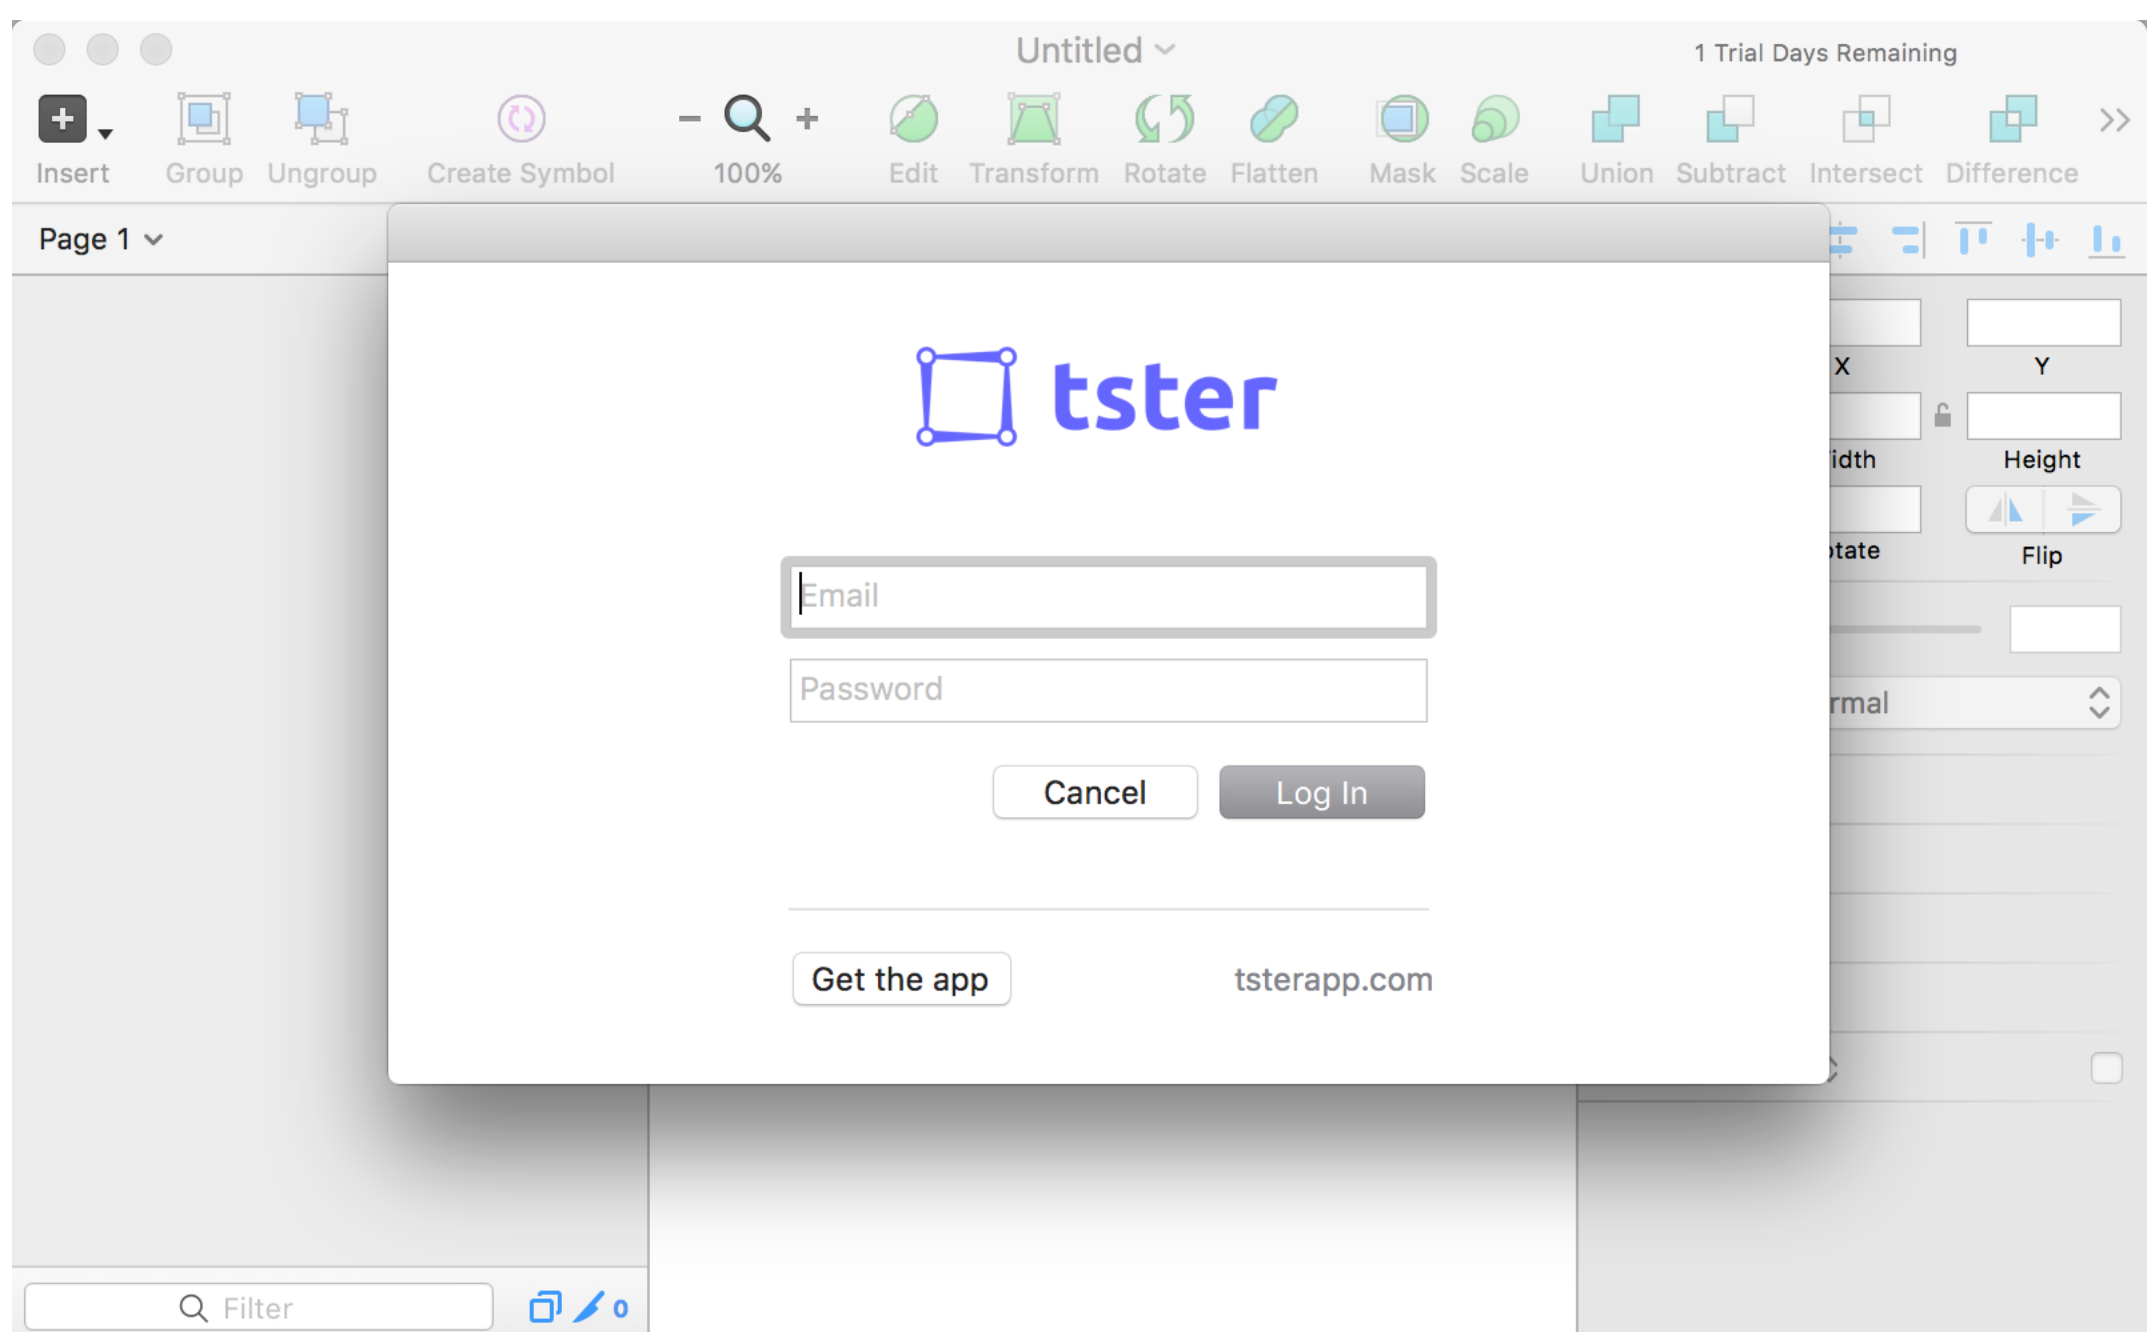

(1) Unzip it and double click at "Tster.sketchplugin" file.

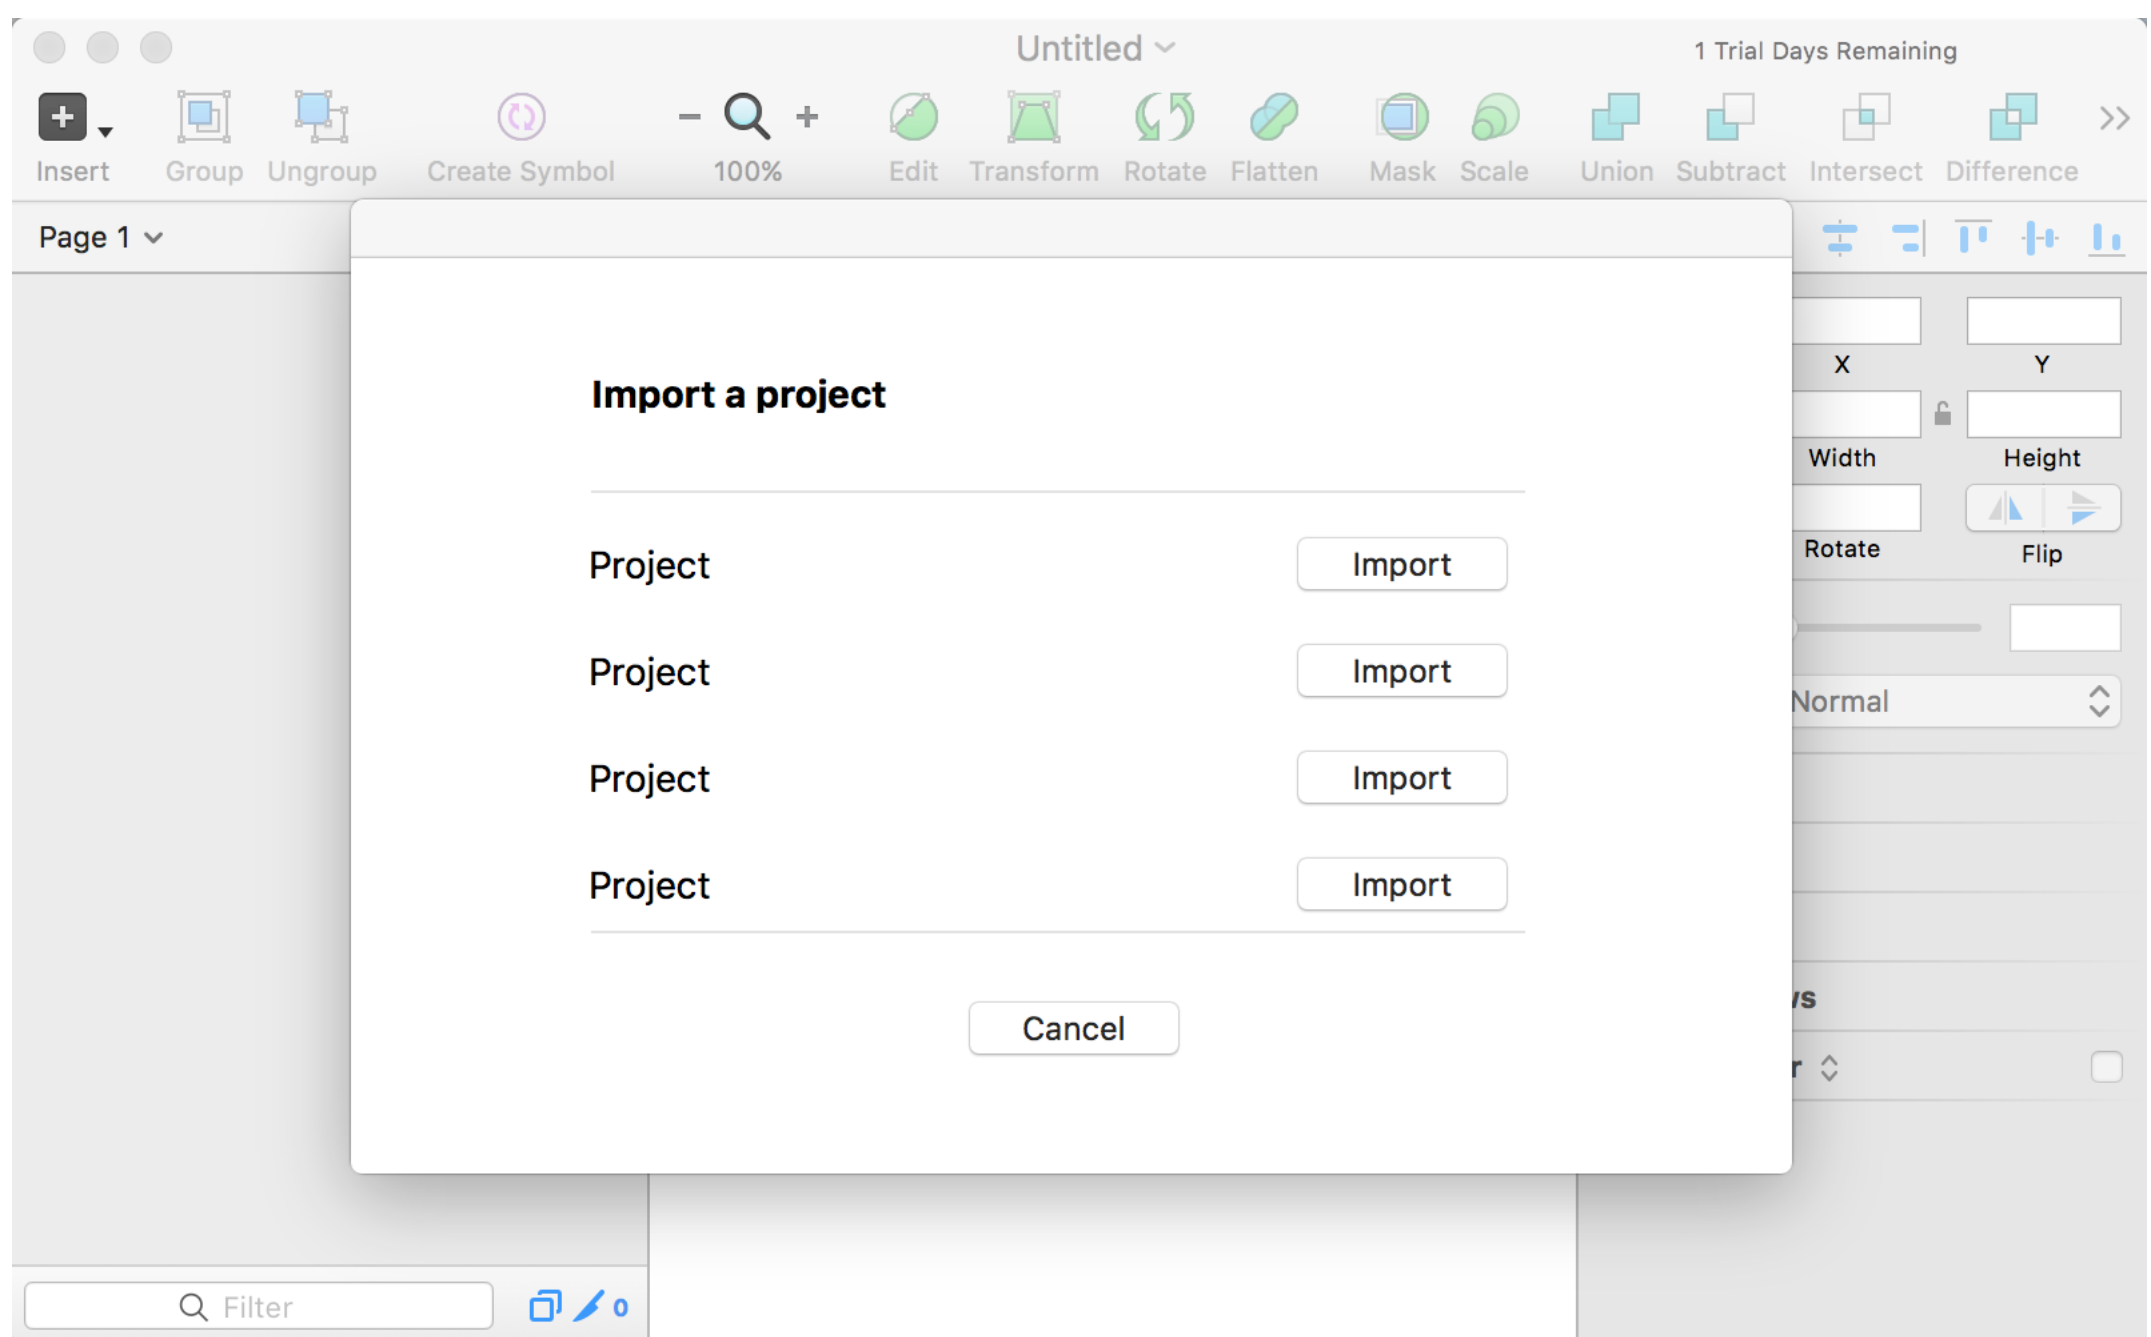

ATTENTION

To import all the icons available at Tster (Ionic, Material and Awasome) you must make unzip of the Icon Fonts, and install at Fonts Book. You may have visualization problems if you do not follow these steps.

(2) Log in Sketch Plugin using your account at Tster.

(3) Go to Sketch menu > Plugins > Tster > Import Artboards or use (CTL+CMD+I).

Thanks!
